What Neighborhood Do You Live In?

Things You Might Be Doing as a volunteer:

- +Greeting guests at the Front Desk.
- +Creating content (i.e. playlists of music) that will get aired on the radio.
- +Posting updates on our blog, **website**, and social networking sites.
- +Tabling all-ages music shows to **recruit more listeners!**
- +Making **flyers**, buttons, or screenprinting tshirts/posters.
- +Flyering the city.
- +Assisting with live **in-studio performances & Live Radio shows.**
- +Producing and editing programs to air on the radio
- +Becoming a DJ after 60 hours of volunteering.

Mark the Committees you are interested in joining:

Fundraising. Art Design. Audio Tech. Computer/Web Tech. Publicity.
Music. Volunteer Coordination. Booking Events.

Do you have any skills/experience that you think might be helpful as a volunteer with Hollow Earth?

What skills would you like to learn at Hollow Earth Radio?

Are you interested in being a DJ if a slot becomes available in the future?

If you want to DJ at Hollow Earth Radio, you can volunteer for at least 60 hours. At that point, you are eligible to present your radio show proposal at one of the 3 DJ PANELS scheduled throughout the year. If there's room in the schedule and your radio show fits within our mission, you will get a DJ shift. There are some special occasions where this doesn't apply.

Just for fun, what kind of music are you interested in listening to on Hollow Earth Radio? (And if you want to become a DJ, what would your show sound like?)

We are happy to take youth volunteers! If you are younger than 18, we'd like you to get permission from a parent or guardian, and we 'd like their contact info (cell phone & email).

Please know that we'd like a firm volunteer commitment from you as it takes a lot of time to orient each person to the station. and we'd like to build a solid community of people working together.

Any other comments? (You can also tell us if you've done radio stuff before, but it's not necessary to have any radio experience to be a volunteer for Hollow Earth.)

We hold monthly volunteer orientations – the first Sunday of every month at 2pm.
Email volunteer@hollowearthradio.org for more info. We are located at 2018-A East Union Street in the Central District of Seattle.
